TO WHOM SO EVER IT MAY CONCERN

This is to certify that Mr. Harshad Arun Kumar, with roll number PES1UG21CS223 studying B.E, CS from PESU, has successfully completed his internship, which was provided in our Company.

During 29 working days of internship, he engaged in the creation of a student details management system. With a focus on full-stack web development, he utilized a range of technologies including HTML, Ejs, CSS, Node.js, and MongoDB. He successfully designed and implemented CRUD operations for student records. He further crafted an insightful dashboard that provided users with an overview of student data.

Harshad consistently demonstrated a dedication to learning and a commitment to delivering high quality results. He adeptly managed his time and resources, proactively sought guidance when needed, and showcased a proactive approach to problem-solving. His performance in building the student details management system underscored his comprehensive understanding of both frontend and back-end development.
